Rhode Island Fire Academy

Health and Safety Officer NFPA 1521 (HSO)

Training Program

The Rhode Island Fire Academy is sponsoring a Health and Safety Officer (HSO) program that is open to all firefighters.

Prerequisites: NFPA 1001, FF-2; NFPA 1021, Fire Officer

Dates: Saturday, September 11th and 18th, 2010

Site: Rhode Island Fire Academy
118 Parade Street
Providence, RI 02909

Time: 9:00 a.m. – 4:00 p.m.

Cost: Free

Course Description: This course examines the health and Safety Officer's role in identifying, evaluation, and implementing policies and procedures that affect health and safety aspects for emergency responders. Risk analysis, wellness issues, and other occupational safety issues will be the main emphases of this course.

Objectives: The students will be able to identify and analyze health and safety aspects that affect emergency responder safety in emergency and non-emergency situations.

Register by: Monday, August 23, 2010
