Re: Fire Alarm Certification

Dear Chief or Superintendent of Fire Alarm:

Please review the enclosed program notice for Assistant Deputy State Fire Marshal/Fire Alarm certification. This program is being offered on a staggered schedule to better serve each fire department. Individuals to be considered are those who are assigned the primary responsibility of enforcing the fire alarm codes. If there are any additional seats available, individuals that either are on a waiting list to enter Fire Alarm or will eventually be assigned the responsibility of enforcing the Fire Alarm Code in the future will be considered.

As in the past, the Chief of Department or Superintendent of Fire Alarms must sign all applications. No certification will be given without prior approval by the Chief of Department or Superintendent of Fire Alarms and the State Fire Marshal.

Return completed application by September 17, 2010. *You will only be notified if your application is denied.* Any questions please contact Chief Deputy R. Michael DiMascolo at 462-4220.

Regards,

John E. Charter, EFO, CFI
State Fire Marshal
